NEGOTIATIONS BEGUN

CHICAGO CITY RAILWAY OFFICIALS AND EMPLOYEES SEEK BASIS FOR PEACE.

MAY AGREE TO ARBITRATE

GREAT SYMPATHETIC STRIKE TO BE INAUGURATED IF THE NEGOTIATIONS FAIL.

Chicago, Nov. 18.—Peace negotiations looking to an amicable settlement of the struggle between the Chicago City railway and its striking employees were begun Tuesday afternoon and the indications are that both sides of the controversy will agree to submit their differences to arbitration.

After a conference which lasted several hours between Mayor Harrison, the officials of the company and the special aldermanic peace committee appointed by Mayor Harrison at the direction of the city council, followed by another meeting in which President Mahon of the Amalgamated Association of Street Railway Employees and his legal advisers took part, Mayor Harrison declared that the outlook for a settlement of the strike by arbitration was decidedly flattering. "I was agreeably surprised at the conciliatory attitude displayed by both sides to the controversy," he said, "and we made more progress at our first meeting than I anticipated."

He declined to enter into the details of the discussion that took place, but it is said that a further conference with the railway officials was arranged for today. The object was to bring the two sides to a point where arbitration is possible. This, the mayor believes, has been accomplished.

Renew Efforts to Break Strike.

Despite the promising outlook for a peaceable ending in the near future, the management of the road will today renew their efforts to break the strike. Announcement was made last night that an effort will be made to open another branch of the system. The attempt will be made on the electric line running through Indiana avenue and if successful will make a total of three branches that have been opened for traffic since the inception of the strike last Thursday.

The other important developments in the strike were: A bill filed in the superior court asking that a receiver be appointed for the Chicago City Railway company and challenging the company's right to operate its lines on the ground that its franchise expired last July and that the ninety-nine year act claim is invalid.

Five trains consisting of a grip car and a trailer each operated on the Cottage Grove avenue cable lines under guard of 1,000 policemen.

Twenty-five cars operated on the Wentworth avenue line under a guard of less than 400 policemen.

Arbitration falling in the present crisis thrust upon Chicago by the South Side street car men, eight divisions of organized trainmen on all the lines in Chicago, South Chicago and the Calumet region threaten to plunge the community into the greatest street railway strike in the city's history.

Plan Sympathetic Strike.

Representative officers of these eight divisions met last night with National President Mahon, leader of the strike, and a resolution was adopted to appoint a special committee to urge arbitration of present difficulties through Mayor Harrison and in the event of failure of this effort a special meeting of all divisions will be called immediately to plan united sympathetic action.

It is predicted such action would end in the calling of a general strike against the Union Traction company, all the elevated companies, the South Chicago Electric company, the Calumet Electric company, the Chicago General company, the Suburban Electric Traction company. This includes all the lines in Chicago and besides the trainmen, involves the shop and shed men, who are affiliated with the trainmen's organizations.

A "sympathetic" strike of boys ranging in age from thirteen to sixteen years in the Hendricks school is imminent because their teacher, Miss Ida M. Stodard, rides on electric cars manned by nonunion crews.

CIVIL SERVICE LAW KILLED.

Wisconsin Supreme Court Deals It a Death Blow.

Milwaukee, Nov. 18.—The state supreme court at Madison Tuesday rendered a decision which practically seals a death blow to the civil service law in Wisconsin as it now exists. The court decided that the civil service board of Milwaukee has no right to force an appointee upon a city official who is under bond for the faithful performance of work by subordinates. The case in point was the appointment by City Clerk Schuengel of a second assistant, a prerogative which the city civil service board contended was an usurpation of its power.

CLEAN BILL CONSIDERED.

Congressman Stevens of Minnesota Speaks in Opposition to It.

Washington, Nov. 18.—The house Tuesday resumed consideration of the Cuban bill. The only notable incidents of the day were the speeches of Mr. Stevens, a Republican member from Minnesota, who spoke in opposition to the bill, and the speech of Mayor-Elect McClellan of New York. Mr. Stevens opposed the measure for reciprocity with Cuba at the last session. Tuesday he argued that the bill was a "crucial blow" at one of the most promising industries of this country and that the measure will imperil our vast foreign trade. Mr. McClellan delivered his valedictory to the house, making an argument in favor of the bill during the course of which he criticized the administration of General Wood in Cuba and charged the Republicans with responsibility for what is lacking in the fulfillment of the duty of the United States in Cuba.

Four hours were devoted Tuesday to debate on the measure, ten members speaking. Under the rule two days more are given for speeches.

Representative Bede introduced a bill to regulate the profit on articles of necessity manufactured by persons having a monopoly of the same, the regulation to be made by the interstate commerce commission.

Mr. Bede also introduced a bill making cigarettes imported into any state subject to the laws of that state.

COURTHOUSE DESTROYED.

Fire at Fargo, N. D., Causes Heavy Property Loss.

Fargo, N. D., Nov. 18.—Fire destroyed the Cass county courthouse here Tuesday night. The loss is about \$175,000; fully covered by insurance. The flames were discovered in the jury room at 11 o'clock. It is thought a lighted cigar was left among some papers in the room. The water pressure was entirely inadequate, and the firemen had no engine. They were helpless, and little or no headway was made in extinguishing the flames.

The courthouse was originally erected in 1883 at a cost of \$125,000, with \$25,000 added since then in vaults and other improvements. This summer a contract was let for a \$25,000 addition, which was just completed, and the jury room was in that part. The insurance is about \$200,000. So far as known all the vaults were in good repair, and all the records are expected to come through in good shape. There are several thousand records of divorce cases secured by Eastern parties that are endangered.

While carrying out material several persons narrowly escaped fatal injuries by the falling of the bell and clock. The sheriff's residence and jail were saved by a strong west wind. The jail was crowded with prisoners, and a panic was created in the prison, but the force of guards was doubled and the men were controlled.

WANT STATE CASE DISMISSED.

Motion of Securities Company in Supreme Court.

Washington, Nov. 18.—Counsel for the Northern Securities company has filed a motion in the United States supreme court to dismiss the appeal of the state of Minnesota from the decision of the United States circuit court of the District of Minnesota in the case of that state vs. the Securities company. The motion is made upon the ground that no question of constitutional construction is involved in the case and that therefore no direct appeal from the circuit court to the United States supreme court is permissible. In their brief or motion counsel contend that while the suit was founded on federal as well as state statutes none of the rulings of the circuit court involved the construction or application of the federal institution.

BUSINESS BLOCK BURNED.

Fire at La Crosse, Wis., Destroys Building and Contents.

La Crosse, Wis., Nov. 18.—For the second time recently the Ulrich building, a three-story brick block at Fourth and Main streets, was burned Tuesday night, causing a loss of the building and contents, estimated at about \$50,000. The fire started in a vacant apartment from an unknown cause.

PROPOSAL REJECTED

PANAMA COMMISSION REFUSES TO RELINQUISH INDEPENDENCE OF ISTHMIANS.

NO REASON FOR CHANGING

ISTHMIANS ARE TOO WELL SATISFIED TO RETURN TO THE COLOMBIAN UNION.

Colon, Nov. 18.—The Panama commission, composed of Senors Arias, Morales and Arosemena, which left Panama Monday to meet the peace commission from the department of Bolivar, boarded the Mayflower here and held a short conference with the Colombians, who only represent the department of Bolivar and the governor of that department and who have no credentials from Bogota. The Colombians asked the Isthmians if they would return to the republic of Colombia, assuring them concessions and considerations on the passage of a canal treaty.

The Isthmians replied that they would not return to the republic of Colombia and declared the assurances came too late, as Panama's position was so advantageous and strong that they could not see any reason for changing.

During the conference Nicanor Insigne, a brother of the governor of the state of Bolivar, who was the spokesman of the Colombians, made a strong appeal to the Panamanians not to disrupt the republic of Colombia, and he supplemented his appeal by the solemn assurance that Colombia would grant all the rights demanded by the Isthmians and eventually carry out their grand project of building the canal.

Did Not Grasp the Situation.

In reply, Senor Tomas Arias, representing the junta, said that the Bogota government and the Colombians generally did not appear to grasp the actual conditions prevailing on the isthmus. The revolution, Senor Arias said, was born absolutely of the unanimous desire of the entire people of Panama and was irrevocable. It was the act of a now independent government already thoroughly organized and formally recognized by the United States government in receiving its representative, Senor M. Philippe Bunau-Varilla, as well as by the governments of France and Italy.

The threat of Senor Insigne that the republic of Colombia would enforce its alleged rights in Isthmian territory did not cause apprehension to the Panamanian commissioners, who received it with equanimity and did not give it any serious consideration.

Dr. Pablo Arosemena, a lawyer of Panama, who will sail for New York on the Segurana, will act in an advisory capacity with Frederico Boyd and Dr. Manuel Amador, the commissioners of the new republic at Washington.

The peace commissioners left the Mayflower at 2 o'clock in the afternoon and embarked on the steamer Trent, which soon afterward sailed.

HOISTS THE PANAMA FLAG.

American Warship Salutes Emblem of the New Republic.

Panama, Nov. 18.—At 8:30 Tuesday morning the United States flagship Marblehead hoisted the flag of the republic of Panama and saluted it with twenty-one guns. The Tresnoviembre, a gunboat of Panama, displaying the American flag, answered the salute. The shore batteries also fired a salute of twenty-one guns, which the Marblehead answered.

At 10 a. m., Rear Admiral Glass, Consul Gudgeon and Commander Phelps, accompanied by Lieutenants Philip Andrews and S. W. Trellinwidder, officially called on the junta. They were received by the members of the junta, the cabinet ministers and Generals Huertas, Jeffries, Diaz and Vaton and their staffs. Admiral Glass said he was glad to officially call upon the government of the republic of Panama. Senor Arango, a member of the junta, answered, thanking the United States for its friendliness.

The people of Panama are happy over the official recognition of the flag and the event is being celebrated enthusiastically.

The flag of the republic of Panama which was saluted by the Marblehead was made on board of that vessel.

Will Not Seek Reinstatement.

Washington, Nov. 18.—Former Governor Andrew H. Burke of North Dakota, who was forced by Secretary Hitchcock to resign his office as inspector in the surveyor general's office under the interior department, will not make any attempt to secure reinstatement to his old position, but an effort may be made to secure Mr. Burke's appointment as special agent of the interior department.

Two Sisters Drowned.

Ely, N. D., Nov. 18.—Mrs. Frank Downing lost her life in an effort to save her fourteen-year-old sister, who had ventured upon thin ice on the Mouse river and had broken through. Mrs. Downing plunged in and was carried under the ice. Mrs. Downing was a bride of only two months.

MRS. HELENA BLAU,

Young Milwaukee Society Woman.

TEN thousand cured women have written to tell how Wine of Cardui bestows the blessing of health on every woman who takes it, rich and poor alike. Mrs. Helena Blau, No. 123 Seventh Street, Milwaukee, Wis., is one of the young women whom Wine of Cardui has rescued from a life of suffering. She writes:

Mrs. Helena Blau.

The woman who has suffered from female weakness should do anything within reason to secure health. Wine of Cardui is the medicine that appeals to reasonable women—women who hold operations and cutting in horror—women who know that Nature is the best physician. Wine of Cardui gives women back their health by giving Nature a chance to build up the wasted and diseased tissue. Wine of Cardui regulates the menstrual flow and Nature, when relieved of the drains or of the poisons in the system, makes the functional organs strong and healthy again.

"Wine of Cardui is certainly 'women's best friend' and I am pleased to give my experience with it. A few months ago I caught a severe cold, having been out in inclement weather, which settled all over me, particularly in the abdomen. I was in almost constant pain. I consulted a physician and took his medicine for a month and without any relief. I then decided I would try your medicine and it was a lucky day for me when I did so. I noticed a change in a few days and felt encouraged to continue taking Wine of Cardui, and my patience was rewarded, for in two weeks my pains had left me and I felt like a new woman."

Any woman who is silently suffering untold pains because she is too sensitive to undergo a physician's examination and treatment can find no excuse for not securing relief when Wine of Cardui is offered to her. There is no publicity to deter her. She can take Wine of Cardui in the privacy of her home, with as much assurance of a final cure as though a dozen doctors recommended it. Many physicians do recommend Wine of Cardui to their patients.

Why not get a \$1.00 bottle of Wine of Cardui from your druggist today?

WINE of CARDUI

A million suffering women have found relief in Wine of Cardui.

Panama, Nov. 18.—At 8:30 Tuesday morning the United States flagship Marblehead hoisted the flag of the republic of Panama and saluted it with twenty-one guns. Will Not Seek Reinstatement.

Washington, Nov. 18.—Former Governor Andrew H. Burke of North Dakota, who was forced by Secretary Hitchcock to resign his office as inspector in the surveyor general's office under the interior department, will not make any attempt to secure reinstatement to his old position, but an effort may be made to secure Mr. Burke's appointment as special agent of the interior department.

MRS. HELENA BLAU,

Young Milwaukee Society Woman.

TEN thousand cured women have written to tell how Wine of Cardui bestows the blessing of health on every woman who takes it, rich and poor alike. Mrs. Helena Blau, No. 123 Seventh Street, Milwaukee, Wis., is one of the young women whom Wine of Cardui has rescued from a life of suffering. She writes:

The woman who has suffered from female weakness should do anything within reason to secure health. Wine of Cardui is the medicine that appeals to reasonable women—women who hold operations and cutting in horror—women who know that Nature is the best physician. Wine of Cardui gives women back their health by giving Nature a

"Wine of Cardui is certainly 'worth out' women's best friend and I am pleased to give my experience with it. A few months ago I caught a severe cold, having been out in inclement weather, which settled all over me, particularly in the abdomen. I was in almost constant pain. I consulted a physician and took his medicine for a month and without any relief. I then decided I would try your medicine and it was a lucky day for me when I did so. I noticed a change in a few days and felt encouraged to continue taking Wine of Cardui, and my patience was rewarded, for in two weeks my pains had left me and I felt like a new woman."

Mrs. Helena Blau.

chance to build up the wasted and diseased tissue. Wine of Cardui regulates the menstrual flow and Nature, when relieved of the drains or of the poisons in the system, makes the functional organs strong and healthy again. Any woman who is silently suffering untold pains because she is too sensitive to undergo a physician's examination and treatment can find no excuse for not securing relief when Wine of Cardui is offered to her. There is no publicity to deter her. She can take Wine of Cardui in the privacy of her home, with as much assurance of a final cure as though a dozen doctors recommended it. Many physicians do recommend Wine of Cardui to their patients. Why not get a \$1.00 bottle of Wine of Cardui from your druggist today?

WINE of CARDUI

A million suffering women have found relief in Wine of Cardui.

Weather

Forecast—Generally fair.

Temperature (Record kept by Dr. J. L. Camp from 7 a. m. yesterday morning to 7 a. m. this morning)—Maximum 16 above zero; minimum 2 below zero.

It is now reported that Charley Towne will refuse a New York nomination for congress.

ALL the world approves Uncle Sam's policy except Colombia and a section of the democratic party, tritely remarks the St. Louis Globe Democrat.

WHAT'S become of the Brainerd charter commission? It looks as though the solution of the sewer question has made any change in the city charter unnecessary.

SINCE the advent of Judge Collins into the gubernatorial arena, the fight for the nomination in the public press has waxed very warm indeed, and the judge has been compelled to hear some very plain truths told besides listening to considerable praise. There is nothing like a political fight to make public one's shortcomings.

THE street improvements of the past year were a step in the right direction, but the work should continue until every street in the city is macadamized, doing every year a dozen blocks or so. If this policy is pursued, in ten years Brainerd will have better streets than any city in the state. The council should make provision now for continuing the work in the spring. Eighth and Kingwood streets from the railroad to the ravine bridge should be attended to next year, to make the macadam street continuous to East Brainerd, and Sixth street north to the park, and from there to Fourth street, is a section that should also receive attention the coming year, and as much more as can be done easily and economically.

It is understood that Sheriff Erickson had quite a time with Nick Wetterson en route to the Fergus Falls asylum. Nick got it into his head that he could never navigate the Mississippi river on the train and wanted to get off at the Sanitarium, but he was handcuffed and quieted down, but not until he had been forcibly persuaded to do so.

The Wizards engaged in high revelry again a night or two ago, a gorgeous repast being served as a fitting finale, at which it is said some "red hot" consommé was served after which the members foraged on other good eatables. Two new members were initiated into the "mysteries" and they declared the bill of fare fit for a king.

At last night's session of Brainerd Homestead B. A. Y., nominations were made for officers to be elected next meeting. A resolution was unanimously adopted heartily thanking the Dispatch for its kindness in granting so much publicity to the fraternal and social life of the Yoemen. At the end of the meeting the ladies gave a pleasant surprise by serving refreshments, after which all present took part in an old fashioned candy pull.

Herbert Wheelock was in the city yesterday. Mr. Wheelock has recently taken his old run as news agent of the M. & I. He has one of the finest claims in the country and his family are on it at present. He has spent the past eight months there and despite the fact that he has lived up to the requirements of the law rigidly, he finds that some of his neighbors are not satisfied and will endeavor to make him trouble when he makes final proof.—Bemidji Pioneer.

Wm. C. Reade, the newspaper reporter who was charged with having broken the provisions of a conditional pardon from the Stillwater penitentiary, was before Judge Spooner this morning. Reade offered no defense to the charge against him. Judge Spooner, after the hearing, issued an order to the clerk of court instructing him to issue the necessary commitment. Reade will be taken to Stillwater tomorrow. He accepts the situation very philosophically. He has about seven months more to serve and says he will be glad when it is over as the parole has been a constant worry to him.—Bemidji Pioneer.

Watch for the light that is coming. It is simply a small headlight to be used for driving at night, is easily adjusted for a single horse or team and throws a light about 150 feet ahead and the width of a street. THE WIFE REFUSED AT FINAL MOMENT

To Appear Against Her Husband
Whom She Had Arrested for
Non Support of Family.

SHE IS SAID TO HAVE RELENTED

George VanPelt, Who Was Incar-
cerated in Cass County Jail,
Is Here Today.

George VanPelt, a Great Northern en-
gineer, whose home has been at Cass
Lake for years, arrived in the city this
morning from Walker and he states that
he feels pretty well, thanks, after emerg-
ing from a legal entanglement which
cost him no end of trouble and pain.
He was arrested some months ago charged
with non support, his wife being the
complaining witness, was recently re-
leased in this city on a writ of habeas
corpus, was rearrested and on the hear-
ing held to the grand jury, was released
on bond and yesterday morning was dis-
charged again by Judge McClenahan and
the case dismissed, his wife refusing to
appear against him.

Mr. VanPelt stated today that he was
a very pleased man to have the trouble
all over, but that it has been a great
strain on him. His wife, he states, was
at Walker, but notified the county at-
torney that she would not press the suit.
He claims that the suit was brought for
spite work, alleging that his wife was
induced to do so by her relatives, her
sisters' husbands.

Mrs. VanPelt is a sister of Mrs. Ed.
Lydick, of "Section 16" fame, and as she
is also owner of considerable valuable
property almost adjoining "Section 16"
VanPelt claims that they all wanted to
get him out of the way. Mrs. VanPelt
owns section 9, part of which is virtu-
ally within the city limits of Cass Lake,
and the property is considered worth
from \$30,000 to \$40,000. He claims that
while he was at his father's home in a
small town in the northern part of the
state on account of his father's sick-
ness, his wife's relatives at Cass Lake
put up stories that he, VanPelt, was not
at his father's home at all, but had
skipped out with another woman. This,
he claims, his wife believed for a time
but now he says that she is coming to
her senses. He left for Duluth this
afternoon and will resume his run on
the Great Northern.

If you are troubled with cold feet we

sole and is leather lined. We have them

ALL KINDS OF DEER

The Slaughter of Deer and Moose is Said
to Exceed Record of Last Year--
Many Brought from North.

Reports from the woods north would
indicate that the number of deer and
moose shot this year will be a record
breaker. So far the number shot and
brought down from the north has
eclipsed all previous records for this
time of the year. This morning about
twenty big, fine ones were brought
down. The deer are said to be very
plentiful in most places, while in other
portions of the northern part of the
state they are not so thick.

MISS STONE IS INTERESTING.

Her Lecture at First M. E. Church was
Heard by Very Good Audience and
was Enjoyed Very Much.

Miss Stone, the missionary from China,
gave her lecture at the First M. E.
church last night and an exceptionally
good sized audience greeted the little
lady. The lecture was interesting and
thoroughly enjoyed. She is a singer of
ability and at the beginning sang a
hymn and by request rendered two
others at the close.

The lady was born in Kiu Kiang, a
large commercial city in central China.
She came to America five years ago and
took up some studies. By the influence
of Bishop Joyce she was induced to take
up a course at Hamline university, later
going to Folts' Mission institute, New
York, and completing her studies at the
Central Wesleyan college in Missouri.
She left this afternoon for Minneapolis
where she will make arrangements for
her trip back to China in the spring,
where she will devote her life to mission
work. She will visit in California be-
fore sailing.

are nearly forty acres included in the

FRED MASON COMING HERE SOON

To Make the Necessary Arrange-
ments to Organize a Union
Under State Association.

There is another move on foot to or-
ganize an association among the grocery-
men and it is understood that Fred
Mason, of the state association, will be
here in a short time to make the neces-
sary arrangements if the grocers can get
together.

It will be remembered that once be-
fore an attempt was made to organize
and the promulgation of a strong asso-
ciation was about completed when some
of those in the business began to kick
over the traces and buck, so the matter
was dropped.

There are those who believe that such
an association would be a good thing in
Brainerd, and there are as many more
who think that all interests in Brainerd
would be better subserved with a com-
mercial club including all business men.
"There is a crying need," said one busi-
ness man this morning, "of the united
action of the merchants of the city per-
taining to the best interests of Brainerd
and Crow Wing county and a board of
trade or a commercial club should be or-
ganized."

INDIANS OBTAIN WHISKEY.

They Then Hold a War Dance and End
by Fighting Policemen.

Omaha, Nov. 18.—Forty Indians who
have been in the city for a week to
testify before the federal grand jury
in liquor selling cases managed to ob-
tain a large amount of whiskey Tues-
day and started a riot in the Klondike
hotel, where they were being quartered.
They began with a war dance and
ended in a bout with the police. Be-
fore being pacified a number of show-
cases and all the furniture in the of-
fice of the hotel was shattered and the
guests were frightened away. Two
chiefs, Morning Star and Spotted
Horse, are in jail and the others are
being guarded at the hotel.

Joseph Francis Furlong Acquitted.

St. Joseph, Mo., Nov. 18.—Joseph
Francis Furlong of St. Louis, the
traveling man who shot to death Irving
McDonald, the young St. Joseph mil-
lionaire, Sunday morning at the Hotel
Metropole, was Tuesday acquitted by
a coroner's jury and Furlong was dis-
charged from custody.

Missouri Youth Kills His Brother.

because the infant annoyed him by
crying.

Fatal Duel in France.

Paris, Nov. 17.—In a duel with
swords Monday arising from a quarrel,
Henry Lautier, a lawyer of Toulouse,
was killed by his antagonist, Charles
Ebelot of Paris. No attempt has been
made to arrest Ebelot, as there is no
doubt that the combat was a perfectly
fair one.

Negro Prisoners Escape.

Washington, Pa., Nov. 17.—Law-
rence Miner and Frank Pierce, ne-
groes, Monday night attacked Deputy
Sheriff Samuel Howe in the Washing-
ton county jail and after securing the
officer's keys escaped from the prison.
Howe is in a serious condition.

MUSIC AND DRAMA.

The following dates are taken at the

30, Dec. 1, 11, 19, 24, 25, 26, 29 and 30.

WEST MINSTRELS.

The Detroit News, August 24, 1903,
has the following to say of the West
minstrels which appear at the Brainerd
theatre next Monday, Nov. 23:

"Wm. H. West has been sleeping in
the grave several months, but his min-
strels keep marching along. They
marched into the Lyceum theatre last
night and formally opened the theat-
rical season at that playhouse.

"Sanford B. Ricaby, West's old friend
is at the head of the organization this
year. He has strengthened it and made
it larger and better than ever.

"The best singer in the company this
year is Aubrey Pringle, a basso profundo.
Charles E. Foreman, a lyric tenor, and
and George W. Jenkins, a tenor robusto,
are also singers of great power and
sweetness. In fact the company this
year will be noted as a company of rare
voices.

"The first, or minstrel part of the en-
tertainment, was beautifully dressed in
red plush, and the entertainment went
along with a snap and sparkle that was
refreshing. The vaudeville numbers are
exceptionally good, one of the best ever
seen in Detroit being Kartell, a wizard
of the slack wire, who appeared to defy
the law of nature. He rode a bicycle
on the slack wire and then rode a single
wheel. It was a marvelous act.

The performance ended with an oper-
atic travesty entitled "The Wizard of
Boz," in which Fred Huber and Chas.
E. Gano took the principal parts. The
piece was very funny and was filled
with many novelties and excellent sing-
ing."

THE REIDELBERGER STRING QUARTETTE.

Interest in the members of the Ried-
elsberger quartette, who will give their
brilliant recital at the Brainerd opera
house next Wednesday, Nov. 25, increases
every day. Yesterday the manager of
the opera house received a letter from a
party at Crow Wing asking that seats
be reserved for him for the concert.

ORPHEUS CONCERT COMPANY.

The Orpheus Concert company will
hold forth at the Swedish Baptist
church tomorrow evening, Nov. 19. Miss
Osborn, the soprano, was one of the
soloists with the Ellery Royal Italian
band at Lake Harriet, Minneapolis this
last summer. The Duluth Herald, in
speaking of Miss Osborn's work, says:

"The concert yesterday afternoon at
the Armory by Flaaten's orchestra was
delightful in every respect. The pro-
gram was a fine one, encores were liber-
ally given and a charming vocalist was
heard. Miss Esther Osborn, of Minne-
apolis, was this pleasing singer. Her
voice is a soprano, pure and sweet in
quality, finely trained, so that the tech-
nique is delightful and she sings in
splendid tone. Her numbers were the
jewel scene and aria from 'Faust,' bril-
liantly given, 'Der Asra,' by Ruben-
stein, and 'Good Morning,' by Grieg."

THE WIFE REFUSED AT FINAL MOMENT

To Appear Against Her Husband
Whom She Had Arrested for
Non Support of Family.

SHE IS SAID TO HAVE RELENTED

George VanPelt, Who Was Incar-
cerated in Cass County Jail,
Is Here Today.

George VanPelt, a Great Northern engineer, whose home has been at Cass Lake for years, arrived in the city this morning from Walker and he states that he feels pretty well, thanks, after emerging from a legal entanglement which cost him no end of trouble and pain. He was arrested some months ago charged with non support, his wife being the complaining witness, was recently released in this city on a writ of habeas corpus, was rearrested and on the hearing held to the grand jury, was released on bond and yesterday morning was discharged again by Judge McClenahan and the case dismissed, his wife refusing to appear against him.

Mr. VanPelt stated today that he was a very pleased man to have the trouble all over, but that it has been a great strain on him. His wife, he states, was at Walker, but notified the county attorney that she would not press the suit. He claims that the suit was brought for spite work, alleging that his wife was induced to do so by her relatives, her sisters' husbands.

Mrs. VanPelt is a sister of Mrs. Ed. Lydick, of "Section 16" fame, and as she is also owner of considerable valuable property almost adjoining "Section 16" VanPelt claims that they all wanted to get him out of the way. Mrs. VanPelt owns section 9, part of which is virtually within the city limits of Cass Lake, and the property is considered worth from \$30,000 to \$40,000. He claims that while he was at his father's home in a small town in the northern part of the state on account of his father's sickness, his wife's relatives at Cass Lake put up stories that he, VanPelt, was not at his father's home at all, but had skipped out with another woman. This, he claims, his wife believed for a time, but now he says that she is coming to her senses. He left for Duluth this afternoon and will resume his run on the Great Northern.

If you are troubled with cold feet we can show you a shoe that is frost proof. It is made with a pneumatic cushion sole and is leather lined. We have them in regular heights and high tops.

INDIANS OBTAIN WHISKEY.

They Then Hold a War Dance and End by Fighting Policemen.

Omaha, Nov. 18.—Forty Indians who have been in the city for a week to testify before the federal grand jury in liquor selling cases managed to obtain a large amount of whiskey Tuesday and started a riot in the Klondike hotel, where they were being quartered. They began with a war dance and ended in a bout with the police. Before being pacified a number of show-cases and all the furniture in the office of the hotel was shattered and the guests were frightened away. Two chiefs, Morning Star and Spotted Horse, are in jail and the others are being guarded at the hotel.

Fatal Duel in France.

Paris, Nov. 17.—In a duel with swords Monday arising from a quarrel, Henry Lantier, a lawyer of Toulouse, was killed by the antagonist, Charles Ebelot of Paris. No attempt has been made to arrest Ebelot, as there is no doubt that the combat was a perfectly fair one.

WEST MINSTRELS.

The Detroit News, August 24, 1903, has the following to say of the West minstrels which appear at the Brainerd theatre next Monday, Nov. 23:

"Wm. H. West has been sleeping in the grave several months, but his minstrels keep marching along. They marched into the Lyceum theatre last night and formally opened the theatrical season at that playhouse.

"Sanford B. Ricaby, West's old friend is at the head of the organization this year. He has strengthened it and made it larger and better than ever.

"The best singer in the company this year is Aubrey Pringle, a basso profundo. Charles E. Foreman, a lyric tenor, and George W. Jenkins, a tenor robusto are also singers of great power and sweetness. In fact the company this year will be noted as a company of rare voices.

"The first, or minstrel part of the entertainment, was beautifully dressed in red plush, and the entertainment went along with a snap and sparkle that was refreshing. The vaudeville numbers are exceptionally good, one of the best ever seen in Detroit being Kartell, a wizard of the slack wire, who appeared to defy the law of nature. He roared a bicycle on the slack wire and then rode a single wheel. It was a marvelous act.

The performance ended with an operatic travesty entitled "The Wizard of Oz," in which Fred Huber and Chas. E. Gano took the principal parts. The piece was very funny and was filled with many novelties and excellent singing."

THE REIDELBERGER STRING QUARTETTE.

Interest in the members of the Reidelsberger quartette, who will give their brilliant recital at the Brainerd opera house next Wednesday, Nov. 25, increases every day. Yesterday the manager of the opera house received a letter from a party at Crow Wing asking that seats be reserved for him for the concert.

ORPHEUS CONCERT COMPANY.

The Orpheus Concert company will hold forth at the Swedish Baptist church tomorrow evening, Nov. 19. Miss Osborn, the soprano, was one of the soloists with the Ellery Royal Italian band at Lake Harriet, Minneapolis this last summer. The Duluth Herald, in speaking of Miss Osborn's work, says:

"The concert yesterday afternoon at the Armory by Flaaten's orchestra was delightful in every respect. The program was a fine one, encores were liberally given and a charming vocalist was heard. Miss Esther Osborn, of Minneapolis, was this pleasing singer. Her voice is a soprano, pure and sweet in quality, finely trained, so that the technique is delightful and she sings in splendid tone. Her numbers were the jewel scene and aria from 'Faust,' brilliantly given, 'Der Asra,' by Rubenstein, and 'Good Morning,' by Grieg."

DIETRICH-FISHER CASE.

No Developments of Any Importance
Occur.

Omaha, Nov. 18.—Few develop-
ments in the Dietrich-Fisher
postoffice case in which indictments
were returned Monday against United
States Senator Charles H. Dietrich
and Jacob Fisher, postmaster at
Hastings, Neb., occurred during the
day. The case has not been without
interest, however, and during the
whole day the halls at the federal
building were filled with a busy, eager
thrang, many of them friends of the
indicted, others politicians who were
looking for news of what might be ex-
pected to happen next. Although four
other cases in which postmasters and
their appointments are said to be un-
der investigation are expected to be
presented to the grand jury for action,
none of them came up Tuesday, the
jury being engaged in hearing Indian
cases.

These additional cases, it is said,
are to be taken up at once and it was
said at the district attorney's office
that a large number of witnesses have
been called to testify before the grand
jury.

Some criticisms of the composition
of the grand jury have brought forth
a statement from Clerk Hoyt of the
United States district court showing
how the jury list was made up from a
list recommended by bankers through-
out the state and the names of the
present jurymen were drawn from a
very large list by a man who knew
none of them.

District Attorney Sommers took oc-
casion Tuesday to emphatically deny
that witnesses had been treated un-
justly or intimidated in any way, add-
ing that his action in bringing the
postmaster's transaction before the
grand jury was incidental to the gen-
eral policy he has pursued during his
incumbency in office.

Postmaster Fisher appeared in court
early in the day and furnished bonds in
the sum of \$1,000 on each indict-
ment against him. He was downcast
over the result of the investigation by
the grand jury, but denied that he had
any transactions with Senator Dietrich
of a compromising character.

DENIED BY SENATOR DIETRICH.

Allegations of Conspiracy and Bribery
Upon Which He Was Indicted.

Washington, Nov. 18.—Senator Diet-
rich said Tuesday of his indictment
at Omaha on the charge of conspiracy
and bribery in connection with the ap-
pointment of Jacob Fisher as post-
master at Hastings, Neb.,

"There is absolutely nothing to have
warranted the indictment. I have
never received a dollar or any property
from Mr. Fisher or any other person
in exchange for my influence. I have
some bitter enemies. As governor I
refused to pardon Joe Bartley, the de-
fauting ex-state treasurer. I have it
from reliable authority that Mr. Sum-
mers, present United States district
attorney, is largely responsible for se-
curing the pardon of Bartley. It has
been intimated to me for a long time
that Summers would make me trouble
if I did not cease my endeavor to have
him ousted from his present position.
I do not know, of course, the testimony
given to secure my indictment. It
must be absolutely false or I would
not have been indicted."

Senator Dietrich says he will return
to Nebraska and face the charges
against him, and expresses confidence
in his acquittal.

RESOLVE TO SECEDE.

Massachusetts Workmen to Sever Con-
nection With Supreme Lodge.

Boston, Nov. 18.—As a result of a
movement started some years ago to
change the method of assessment from
the flat rate, a meeting of the grand
lodge of Massachusetts of the Ancient
Order of United Workmen here Tues-
day ended in the adoption after a
heated discussion of a resolution to
sever all connection with the supreme
lodge of the United States.

Grand Master Workman Carl N. A.
Brown presided and 199 Massachusetts
26 New Hampshire and one Vermont
lodges which are under the so-called
Massachusetts jurisdiction were represented.

The session was called especially to
ascertain if the grand lodge would re-
voke the agreement between the su-
preme lodge and the Massachusetts
grand lodge, giving the supreme lodge
the right to collect a guaranty fund.

This not being received favorably
by the supreme lodge officials a resolu-
tion was introduced and passed, the
purpose of which was that the grand
lodge should pay the guaranty de-
manded by the national body, up to
and including Dec. 31, 1903, after
which all connection with the supreme
lodge should cease.

merce was held Tuesday night at

of the chamber, presiding, with
Secretary of the Treasury Shaw on his
right and Governor Odell on his left.

guests present were: Postmaster Gen-
eral Payne, Senator William B. Al-
lison, Senator Chauncey M. Depew,

Major General H. C. Corbin, Rear Ad-
miral Frederick Rodgers, Judge Alton
B. Parker, Carl Schurz, Whitelaw

William Crowell Doane, St. Clair Mc-
Kelway, Alfred Mosely, the English
capitalist, and Myron T. Herrick of

ATTACK SAN DOMINGO

INSURGENTS BOMBARD THE CITY
AND A GENERAL ENGAGE-
MENT IS EXPECTED.

PREPARE TO LAND TROOPS

GERMANS READY TO PROTECT
THEIR INTERESTS AT A
MOMENT'S NOTICE.

San Domingo, Nov. 17.—The politi-
cal situation here is serious. The in-
surgents are bombarding the city.
Generals Wincelo, Giguero and Juan
Francisco Sanchez are refugees in the
foreign legations.

The city is completely invested by
4,000 men under Pichardo and four
other generals. A general attack is
expected within the next few days.
General Wey Gili refuses to capitulate
and it is believed that the fight-
ing will be severe.

The situation is desperate and fight-
ing in the streets is likely to occur at
any moment.

The United States cruiser Baltimore
has been compelled to leave to re-
coast. United States Minister Powell
is endeavoring to protect American
interests with the limited means at
his disposal.

A German naval vessel is ready to
land troops at a moment's notice.

The insurgents endeavored to have
Minister Powell recognize them, but
this the minister refused to do.

The revolutionists fired on the
Clyde liner New York as she was en-
tering the Port of Samana. The ves-
sel was uninjured.

The Dominican government has ap-
pointed Minister of Foreign Relations
Galvan and Judge George Gray of
Delaware as commissioners to arbitrate
the Santo Domingo improvement
matter as the result of Minister
Powell's determination to compel
the carrying out of the terms of the
protocol. Commissioner Galvan will
leave for the United States soon. It
is possible that the insurgents may
endeavor to capture him.

UNITED STATES PROTESTS.

Refuses to Recognize Blockade of
Dominican Ports.

New York, Nov. 18.—The United
States government has refused to
recognize the blockade of San Domini-
can ports, made two days ago, and
has protested against it. This was
confirmed Tuesday by Nevada N.
Stranahan, collector of the port of
New York. The collector received
telegraphic advices from the treasury
department advising him that the
state department does not consider
the blockade effective and has entered
a vigorous protest against it. The
collector, in conformity with his in-
structions and the protest, has notified
masters of vessels sailing to San Do-
minican ports that clearance papers
will be issued for any ports in San
Domingo, thus officially refusing the
effectiveness of the blockade.

At the offices of the Clyde line, it
was said that the Cherokee will clear
today for her usual trip, calling at the
ports which the local Dominican con-
sul says are "closed."

APPEALS FOR RECOGNITION.

Minister Bunau-Varilla Sends a Note
to Foreign Envoys at Washington.

Washington, Nov. 18.—Accredited to
the United States, the republic of
Panama and the world at large as min-
ister plenipotentiary and envoy extra-
ordinary of the republic of Panama,
M. Philippe Bunau-Varilla, under spe-
cial instructions from his government,
has addressed a note to the envoys of
the powers represented at Washing-
ton requesting that they notify their
respective governments of the forma-
tion of the sovereign state of Panama
and expressing the hope that his
government will receive recognition at
their hands.

Count Cassini, the Russian ambas-
sador, as the dean of the diplomatic
corps, was first addressed. The note
to his excellency is identical with the
notes sent to the other embassies and
legations.

Following the lead of Count Cassi-
ni, the other ambassadors, the minis-
ters and the charges d'affaires will
transmit the communication of the
Panama minister to their foreign of-
fices and await instructions.

TO ESCAPE MORE TROUBLE.

Sultan of Turkey Accepts Austro-Pus-
sian Plan of Reform.

London, Nov. 18.—The Constantinople
correspondent of the Express says
that the sultan of Turkey has ac-
cepted the Austro-Russian plan of re-
form in Macedonia.

The news given by the correspond-
ent is not confirmed in other quarters,
although it is known that the other
powers, including Germany, have been
pressing the sultan to accept the
scheme.

According to the Standard's Constan-
tinople correspondent it would be a
mistake to interpret any acceptance
of the reform scheme as other than a
subterfuge to escape more trouble.

Trial of Malcolm A. Moody.

Portland, Ore., Nov. 18.—The taking
of testimony in the trial of ex-Con-
gressman Malcolm A. Moody, indicted
for intercepting and withholding a let-
ter addressed to Mrs. Margaret I.
Conroy, formerly of The Dalles, was
commenced in the federal court Tues-
day.

Oakland, Cal., Nov. 18.—After fight-
ing fifteen fierce rounds Jack Cordell,
a recent recruit from the amateur
ranks, was given the decision over
Aurelio Herrera, the noted Mexican
fighter.

DOCTRINE OF SOCIALISM.

American Federation of Labor Con-
vention Discusses It.

Boston, Nov. 18.—The question of
whether the organization should com-
mit itself to the doctrine of Socialism,
came squarely before the delegates to
the convention of the American Fed-
eration of Labor at its session Tues-
day. The question was not answered,
as shortly before 6 o'clock an ad-
journment was taken until morning
when the debate will be resumed.

Some nine resolutions favoring pub-
lic ownership and the organization of
a political party to bring about con-
ditions the Socialists desired were all
reported on unfavorably by the com-
mittee on resolutions. At once the
long arranged plan of the Socialist
delegates to fight for the adoption of
their principles was put into opera-
tion by Delegate Hayes of Cleveland.
He offered a substitute for the com-
mittee's report, but was ruled out of
order. At this point the applause from
the spectators led President Gompers
to announce that he would order the
galleries cleared if the applause was
continued. His remark was received
with hisses. Thereupon he ordered
the spectators to leave. There was a
great deal of confusion and the ejected
people, numbering several hundred,
assembled outside Faneuil Hall and
adopted resolutions condemning Presi-
dent Gompers for his action. Mean-
time the debate was resumed by the
delegates.

Just before adjournment the ejected
spectators were permitted to re-enter
the hall.

GREETED BY PRINCE OF WALES.

King and Queen of Italy Arrive at
Portsmouth.

London, Nov. 18.—King Victor Em-
manuel and Queen Helena of Italy
reached Portsmouth on the royal yacht
Victoria and Albert shortly before 11
a. m. amidst salutes from the ships
and land batteries in the harbor.

Upon the arrival of the yacht at the
jetty the Prince of Wales went aboard
immediately and welcomed their
majesties in the name of King Ed-
ward and of the nation.

After lunch on board the yacht the
king and queen and the Prince of
Wales disembarked and King Victor
Emmanuel inspected the guards of
honor and the naval cadets from the
college at Osborne, after which the
party entered a train and started for
Windsor amid another salute from the
guns of the fleet.

The royal visitors received an en-
thusiastic welcome at Windsor. The
streets were gaily bedecked and enor-
mous crowds from the surrounding
country lined the approaches to the
station and the entire route to the
castle. The station was handsomely
draped with the Italian colors. King
Edward, Queen Alexandra and other
members of the royal family awaited
the Italian sovereigns on the platform
and the greetings between the hosts
and guests were most cordial. The
embracing and handshaking lasted
some time.

DIETRICH-FISHER CASE.

No Developments of Any Importance Occur.

Omaha, Nov. 18.—Few developments in the Dietrich-Fisher postoffice case in which indictments were returned Monday against United States Senator Charles H. Dietrich and Jacob Fisher, postmaster at Hastings, Neb., occurred during the day. The case has not been without interest, however, and during the whole day the halls at the federal building were filled with a busy, eager throng, many of them friends of the indicted, others politicians who were looking for news of what might be expected to happen next. Although four other cases in which postmasters and their appointments are said to be under investigation are expected to be presented to the grand jury for action, none of them came up Tuesday, the jury being engaged in hearing Indian cases.

These additional cases, it is said, are to be taken up at once and it was said at the district attorney's office that a large number of witnesses have been called to testify before the grand jury.

Some criticisms of the composition of the grand jury have brought forth a statement from Clerk Hoyt of the United States district court showing how the jury was drawn. Mr. Hoyt said the jury list was made up from a list recommended by bankers throughout the state and the names of the present jurors were drawn from a very large list by a man who knew none of them.

District Attorney Sommers took occasion Tuesday to emphatically deny that witnesses had been treated unjustly or intimidated in any way, adding that his action in bringing the postmaster's case before the grand jury was incidental to the general policy he has pursued during his incumbency in office.

Postmaster Fisher appeared in court early in the day and furnished bonds in the sum of \$1,000 on each indictment against him. He was downcast over the result of the investigation by the grand jury, but denied that he had any transactions with Senator Dietrich of a compromising character.

DENIED BY SENATOR DIETRICH.

Allegations of Conspiracy and Bribery Upon Which He Was Indicted.

Washington, Nov. 18.—Senator Dietrich said Tuesday of his indictment at Omaha on the charge of conspiracy and bribery in connection with the appointment of Jacob Fisher as postmaster at Hastings, Neb.

"There is absolutely nothing to have warranted the indictment. I have never received a dollar or any property from Mr. Fisher or any other person in exchange for my influence. I have some bitter enemies. As governor I refused to pardon Joe Bartley, the defaulting ex-state treasurer. I have it from reliable authority that Mr. Sommers, present United States district attorney, is largely responsible for securing the pardon of Bartley. It has been intimated to me for a long time that Mr. Sommers would make me trouble if I did not cease my endeavor to have him ousted from his present position. I do not know, of course, the testimony given to secure my indictment. It must be absolutely false or I would not have been indicted."

Senator Dietrich says he will return to Nebraska and face the charges against him, and expresses confidence in his acquittal.

RESOLVE TO SECEDE.

Massachusetts Workmen to Sever Connection With Supreme Lodge.

Boston, Nov. 18.—As a result of a movement started some years ago to change the method of assessment from the flat rate, a meeting of the grand lodge of Massachusetts of the Ancient Order of United Workmen here Tuesday ended in the adoption after a heated discussion of a resolution to sever all connection with the supreme lodge of the United States.

Grand Master Workman Carl N. A. Brown presided and 199 Massachusetts, 26 New Hampshire and one Vermont lodges which are under the so-called Massachusetts jurisdiction were represented.

The session was called especially to ascertain if the grand lodge would revoke the agreement between the supreme lodge and the Massachusetts grand lodge, giving the supreme lodge the right to collect a guaranty fund.

This not being received favorably by the supreme lodge officials a resolution was introduced and passed, the purpose of which was that the grand lodge should pay the guaranty demanded by the national body, up to and including Dec. 31, 1903, after which all connection with the supreme lodge should cease.

ATTACK SAN DOMINGO

INSURGENTS BOMBARD THE CITY AND A GENERAL ENGAGEMENT IS EXPECTED.

PREPARE TO LAND TROOPS

GERMANS READY TO PROTECT THEIR INTERESTS AT A MOMENT'S NOTICE.

San Domingo, Nov. 17.—The political situation here is serious. The insurgents are bombarding the city. Generals Wincelo, Giguero and Juan Francisco Sanchez are refugees in the foreign legations.

The city is completely invested by 4,000 men under Pichardo and four other generals. A general attack is expected within the next few days. General Wos y Gil refuses to capitulate, and it is believed that the fighting will be severe.

The situation is desperate and fighting in the streets is likely to occur at any moment.

The United States cruiser Baltimore has been compelled to leave to re-join the United States Minister Powell is endeavoring to protect American interests with the limited means at his disposal.

A German naval vessel is ready to land troops at a moment's notice.

The insurgents endeavored to have Minister Powell recognize them, but this the minister refused to do.

The revolutionists fired on the Clyde liner New York as she was entering the Port of Samana. The vessel was uninjured.

The Dominican government has appointed Minister of Foreign Relations Galvan and Judge George Gray of Delaware as commissioners to arbitrate the Santo Domingo Improvement matter as the result of Minister Powell's determination to compel the carrying out of the terms of the protocol. Commissioner Galvan will leave for the United States soon. It is possible that the insurgents may endeavor to capture him.

UNITED STATES PROTESTS.

Refuses to Recognize Blockade of Dominican Ports.

New York, Nov. 18.—The United States government has refused to recognize the blockade of San Domingo ports, made two days ago, and has protested against it. This was confirmed Tuesday by Nevada N. Stranahan, collector of the port of New York. The collector received telegraphic advices from the treasury department advising him that the state department does not consider the blockade effective and has entered a vigorous protest against it. The collector, in conformity with his instructions and the protest, has notified masters of vessels sailing to San Dominican ports that clearance papers will be issued for any ports in San Domingo, thus officially refuting the effectiveness of the blockade.

At the offices of the Clyde line, it was said that the Cherokee will clear today for her usual trip, calling at the ports which the local Dominican consul says are "closed."

APPEALS FOR RECOGNITION.

Minister Bunau-Varilla Sends a Note to Foreign Envoys at Washington.

Washington, Nov. 18.—Accredited to the United States, the republic of France and the world at large as minister plenipotentiary and envoy extraordinary of the republic of Panama, M. Philippe Bunau-Varilla, under special instructions from his government, has addressed a note to the envoys of the powers represented at Washington requesting that they notify their respective governments of the formation of the sovereign state of Panama and expressing the hope that his government will receive recognition at their hands.

Count Cassini, the Russian ambassador, as the dean of the diplomatic corps, was first addressed. The note to his excellency is identical with the notes sent to the other embassies and legations.

Following the lead of Count Cassini, the other ambassadors, the ministers and the charges d'affaires will transmit the communication of the Panama minister to their foreign offices and await instructions.

TO ESCAPE MORE TROUBLE.

Sultan of Turkey Accepts Austro-Panish Plan of Reform.

London, Nov. 18.—The Constantinople correspondent of the Express says that the sultan of Turkey has accepted the Austro-Russian plan of reform in Macedonia.

The news given by the correspondent is not confirmed in other quarters, although it is known that the other powers, including Germany, have been pressing the sultan to accept the scheme.

According to the Standard's Constantinople correspondent it would be a mistake to interpret any acceptance of the reform scheme as other than a subterfuge to escape more trouble.

Trial of Malcolm A. Moody.

Portland, Ore., Nov. 18.—The taking of testimony in the trial of ex-Congressman Malcolm A. Moody, indicted for intercepting and withholding a letter addressed to Mrs. Margaret L. Controy, formerly of The Dalles, was commenced in the federal court Tuesday.

DOCTRINE OF SOCIALISM.

American Federation of Labor Convention Discusses It.

Boston, Nov. 18.—The question of whether the organization should commit itself to the doctrine of Socialism, came squarely before the delegates to the convention of the American Federation of Labor at its session Tuesday. The question was not answered, as shortly before 6 o'clock an adjournment was taken until morning when the debate will be resumed.

Some nine resolutions favoring public ownership and the organization of a political party to bring about conditions the Socialists desired were all reported on unfavorably by the committee on resolutions. At once the long stranded plan of the Socialist delegates to fight for the adoption of their principles was put into operation by Delegate Hayes of Cleveland. He offered a substitute for the committee's report, but was ruled out of order. At this point the applause from the spectators led President Gompers to announce that he would order the galleries cleared if the applause was continued. His remark was received with hisses. Thereupon he ordered the spectators to leave. There was a great deal of confusion and the ejected people, numbering several hundred, assembled outside Faneuil Hall and adopted resolutions condemning President Gompers for his action. Meantime the debate was resumed by the delegates.

Just before adjournment the ejected spectators were permitted to re-enter the hall.

CREETED BY PRINCE OF WALES.

King and Queen of Italy Arrive at Portsmouth.

London, Nov. 18.—King Victor Emmanuel and Queen Helena of Italy reached Portsmouth on the royal yacht Victoria and Albert shortly before 11 a. m. amidst salutes from the ships and land batteries in the harbor.

Upon the arrival of the yacht at the jetty the Prince of Wales went aboard immediately and welcomed their majesties in the name of King Edward and of the nation.

After lunch on board the yacht the king and queen and the Prince of Wales disembarked and King Victor Emmanuel inspected the guards of honor and the naval cadets from the college at Osborne, after which the party entered a train and started for Windsor amid another salute from the guns of the fleet.

The royal visitors received an enthusiastic welcome at Windsor. The streets were gaily bedecked and enormous crowds from the surrounding country lined the approaches to the station and the entire route to the castle. The station was handsomely draped with the Italian colors. King Edward, Queen Alexandra and other members of the royal family awaited the Italian sovereigns on the platform and the greetings between the hosts and guests were most cordial. The embracing and handshaking lasted some time.
